

Breastfeeding WORKS for Working Women!

Employees who choose to continue breastfeeding after they return to work and have a supportive environment enjoy higher employee productivity and morale.

Nursing Mother's Room...a beautiful new milk expression room with a relaxing environment to comfortably express milk during work hours

Use of breast pumps...safe and efficient electric pumps located in each lactation room

Education...classes during your pregnancy and after baby is born, and access to helpful materials

Support...to help you reach your personal goals for feeding your baby after returning to work

Learn more about our lactation support services to help breastfeeding employees continue to give their baby the best start in life
